

Zumra Abdi

Health Information System Expert

Email: zuu@afyaiq.com | Phone: +255 676 123 831

Professional Summary

I am a dedicated Health Information System (HIS) expert with over 2 years of experience in designing, implementing, and managing digital health solutions. My expertise spans electronic medical records (EMR), health data standards (HL7, FHIR), system integration, and data analytics to support evidence-based decision-making in healthcare.
